*Be it enacted by the General Assembly of the State of Indiana:*

- 1 SECTION 1. IC 5-10.2-2-11, AS AMENDED BY P.L.72-2007,  
2 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
3 JULY 1, 2009]: Sec. 11. (a) Based on the actuarial investigation and  
4 valuation in section 9 of this chapter, each board shall determine:  
5 (1) the normal contribution for the employer, which is the amount  
6 necessary to fund the pension portion of the retirement benefit;  
7 (2) the rate of normal contribution;  
8 (3) the unfunded accrued liability of the public employees'  
9 retirement fund, the pre-1996 account, and the 1996 account,  
10 which is the excess of total accrued liability over the fund's or  
11 account's total assets, respectively; and  
12 (4) the rates of contribution for the state expressed as a proportion  
13 of compensation of members, which would be necessary to:  
14 (A) amortize the unfunded accrued liability of the state for  
15 thirty (30) years or for a shorter time period requested by the

budget agency or the governor; and

(B) prevent the state's unfunded accrued liability from increasing.

(b) Based on the information in subsection (a), each board may determine, in its sole discretion, contributions and contribution rates for individual employers or for a group of employers.

(c) The board's determinations under subsection (a):

(1) are subject to section 1.5 of this chapter; and

(2) ~~for an employer making a contribution to the Indiana state teachers' retirement fund;~~ may not include an amount for a retired member ~~of the Indiana state teachers' retirement fund~~ for whom the employer may not make contributions during the member's period of reemployment as provided under ~~IC 5-10.2-4-8(c)~~.

**IC 5-10.2-4-8(c).**

SECTION 2. IC 5-10.2-3-2, AS AMENDED BY P.L.72-2007, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 2. (a) Subject to IC 5-10.2-2-1.5, as used in this section, "compensation" means:

(1) the basic salary earned by and paid to the member; plus

(2) the amount that would have been a part of the basic salary earned and paid except for the member's salary reduction agreement established under Section 125, 403(b), or 457 of the Internal Revenue Code.

(b) Except in cases where:

(1) the contribution is made on behalf of the member; or

(2) a retired member ~~of the Indiana state teachers' retirement fund~~ may not make contributions during a period of reemployment as provided under ~~IC 5-10.2-4-8(c)~~; **IC 5-10.2-4-8(c)**;

each member shall, as a condition of employment, contribute to the fund three percent (3%) of his compensation.

(c) Except as provided under ~~IC 5-10.2-4-8(c)~~, **IC 5-10.2-4-8(c)**, a member of a fund may make contributions to the member's annuity savings account in addition to the contributions required under subsection (b). The total amount of contributions that may be made to a member's annuity savings account with respect to a payroll period under this subsection may not exceed ten percent (10%) of the member's compensation for that payroll period. The contributions made under this subsection may be picked-up and paid by an employer as provided in subsection (d).

(d) In compliance with rules adopted by each board, an employer, under Section 414(h)(2) of the Internal Revenue Code, may pick-up and pay the contributions under subsection (c), subject to approval of

the board and to the board's receipt of a favorable private letter ruling from the Internal Revenue Service. The employer shall reduce the member's compensation by an amount equal to the amount of the member's contributions under subsection (c) that are picked-up by the employer. Each board shall by rule establish the procedural requirements for employers to carry out the pick-up in compliance with Section 414(h)(2) of the Internal Revenue Code.

(e) A member's contributions and interest credits belong to the member and do not belong to the state or political subdivision.

SECTION 3. IC 5-10.2-3-6.5, AS ADDED BY P.L.115-2008, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 6.5. (a) This section applies:

(1) after December 31, 2008, to a member of the public employees' retirement fund; and

(2) after June 30, 2009, to a member of the Indiana state teachers' retirement fund.

(b) A member who meets all of the following requirements may elect to withdraw the entire amount in the member's annuity savings account before the member is eligible to do so at retirement under IC 5-10.2-4-2:

(1) The member has attained vested status in the fund.

(2) The member terminates employment **with the applicable fund after the date specified in subsection (a).**

(3) The member has not performed any service in a position covered by the fund for at least ninety (90) days after the date the member terminates employment.

(c) A member who elects to withdraw the entire amount in the member's annuity savings account under subsection (b) shall provide notice of the election on a form provided by the board.

(d) The election to withdraw the entire amount in the member's annuity savings account is irrevocable.

(e) The board shall pay the amount in the member's annuity savings account as a lump sum.

(f) Except as provided in subsection (g), a member who makes a withdrawal under this section is entitled to receive, when the member becomes eligible to receive a retirement benefit under IC 5-10.2-4, a retirement benefit equal to the pension provided by employer contributions computed under IC 5-10.2-4.

(g) A member who:

(1) transfers creditable service earned under the fund to another governmental retirement plan under section 1(i) of this chapter; and

C  
o

(2) withdraws the member's annuity savings account under this section to purchase the service; may not use the transferred service in the computation of a retirement benefit payable under subsection (f).

SECTION 4. IC 5-10.2-3-7.5, AS AMENDED BY P.L.99-2007, SECTION 15, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 7.5. (a) A surviving dependent or surviving spouse of a member who dies in service is entitled to a survivor benefit if:

(1) the member dies after March 31, 1990;

(2) the member has:

(A) at least ten (10) years of creditable service, if the member died in service as a member of the general assembly;

(B) at least fifteen (15) years of creditable service, if the member died in service in any other position covered by the retirement fund; or

(C) at least ten (10) years but not more than fourteen (14) years of creditable service if the member:

(i) was at least sixty-five (65) years of age; and

(ii) died in service in a position covered by the teachers' retirement fund; and

(3) the surviving dependent or surviving spouse qualifies for a survivor benefit under subsection (b) or (c).

(b) If a member described in subsection (a) dies with a surviving spouse who was married to the member for at least two (2) years, the surviving spouse is entitled to a survivor benefit equal to the monthly **pension** benefit that would have been payable to the spouse under the joint and survivor option of IC 5-10.2-4-7 upon the member's death following retirement at:

(1) fifty (50) years of age; or

(2) the actual date of death;

whichever is later. However, benefits payable under this subsection are subject to subsections (e) and (g).

(c) If a member described in subsection (a) dies without a surviving spouse who was married to the member for at least two (2) years, but with a surviving dependent, the surviving dependent is entitled to a survivor benefit in a monthly amount equal to the actuarial equivalent of the monthly **pension** benefit that would have been payable to the spouse (assuming the spouse would have had the same birth date as the member) under the joint and survivor option of IC 5-10.2-4-7 upon the member's death following retirement at:

(1) fifty (50) years of age; or

C  
o

(2) the actual date of death;  
 whichever is later. If there are two (2) or more surviving dependents, the actuarial equivalent of the benefit described in this subsection shall be calculated and, considering the dependents' attained ages, an equal dollar amount shall be determined as the monthly **pension** benefit to be paid to each dependent. Monthly **pension** benefits under this subsection are payable until the date the dependent becomes eighteen (18) years of age or dies, whichever is earlier. However, if a dependent has a permanent and total disability (using disability guidelines established by the Social Security Administration) at the date the dependent reaches eighteen (18) years of age, the monthly **pension** benefit is payable until the date the dependent no longer has a disability (using disability guidelines established by the Social Security Administration) or dies, whichever is earlier. Benefits payable under this subsection are subject to subsections (e) and (g).

**(d) This subsection applies if a member did not designate a beneficiary or the designated beneficiary does not survive the member.** Except as provided in subsections (e) and (h), the surviving spouse or surviving dependent of a member who is entitled to a survivor benefit under subsection (b) or (c) or section 7.6 of this chapter may elect to receive a lump sum payment of the total amount credited to the member in the member's annuity savings account or an amount equal to the member's federal income tax basis in the member's annuity savings account as of December 31, 1986. A surviving spouse or surviving dependent who makes such an election is not entitled to an annuity as part of the survivor benefit under subsection (b) or (c) or section 7.6 of this chapter to the extent of the lump sum payment.

**(e) If a member described in subsection (a) or section 7.6(a) of this chapter is survived by a designated beneficiary, who is not a surviving spouse or surviving dependent entitled to a survivor benefit under subsection (b) or (c) or section 7.6 of this chapter, the following provisions apply:**

(1) If the member is survived by one (1) designated beneficiary, the designated beneficiary is entitled to receive in a lump sum or over a period of up to five (5) years, as elected by the designated beneficiary, the amount credited to the member's annuity savings account, less any disability benefits paid to the member.

(2) If the member is survived by two (2) or more designated beneficiaries, the designated beneficiaries are entitled to receive in a lump sum or over a period of up to five (5) years, as elected by the designated beneficiary, equal shares of the amount credited to the member's annuity savings account, less any disability

benefits paid to the member.

(3) If the member is also survived by a spouse or dependent who is entitled to a survivor benefit under subsection (b) or (c) or section 7.6 of this chapter, the surviving spouse or dependent is not entitled to an annuity or a lump sum payment as part of the survivor benefit, unless the surviving spouse or dependent is also a designated beneficiary.

(f) If a member dies:

(1) without a surviving spouse or surviving dependent who qualifies for survivor benefits under subsection (b) or (c) or section 7.6 of this chapter; and

(2) without a surviving designated beneficiary who is entitled to receive the member's annuity savings account under subsection

(e);

the amount credited to the member's annuity savings account, less any disability benefits paid to the member, shall be paid to the member's estate.

(g) Survivor benefits payable under this section or section 7.6 of this chapter shall be reduced by any disability benefits paid to the member.

(h) Additional annuity contributions, if any, shall not be included in determining survivor benefits under subsection (b) or (c) or section 7.6 of this chapter, but are payable in a lump sum payment to:

(1) the member's surviving designated beneficiary; or

(2) the member's estate, if there is no surviving designated beneficiary.

(i) Survivor benefits provided under this section or section 7.6 of this chapter are subject to IC 5-10.2-2-1.5.

(j) A benefit specified in this section shall be forfeited and credited to the member's retirement fund if no person entitled to the benefit claims it within three (3) years after the member's death. However, the board may honor a claim that is made more than three (3) years after the member's death if the board finds, in the board's discretion, that:

(1) the delay in making the claim was reasonable or other extenuating circumstances justify the award of the benefit to the claimant; and

(2) paying the claim would not cause a violation of the applicable Internal Revenue Service rules.

SECTION 5. IC 5-10.2-4-1.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1.2. ~~The public employees' retirement~~ (a) Each fund shall adopt a policy that

~~(1) promotes~~ **requires** direct deposit ~~or another method approved by the board~~ as the preferred way for members and

beneficiaries to receive monthly benefits. ~~and~~  
 (2) ~~strongly encourages members and beneficiaries who apply for~~  
~~benefits to receive their monthly benefits by direct deposit.~~

**(b) Notwithstanding a policy adopted under subsection (a), the board shall establish an alternative payment method for a member or beneficiary who provides satisfactory evidence to the board that the member or beneficiary is unable to receive monthly benefits by direct deposit or another method approved by the board under subsection (a).**

SECTION 6. IC 5-10.2-4-1.4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1.4. (a) This section applies to a member or a beneficiary of the ~~public employees'~~ ~~retirement~~ fund who receives a monthly benefit by direct deposit.

(b) The fund shall furnish to the member or beneficiary:

- (1) before each change in the amount of the member's or beneficiary's benefit; or
- (2) once every twelve (12) months, if the member's or beneficiary's benefit amount does not change;

a written notice showing the member's or beneficiary's benefit amount, including any cost of living increase or other adjustment to the benefit amount, and a summary of the member's or beneficiary's benefit payment history since the member's or beneficiary's last written notice.

SECTION 7. IC 5-10.2-4-1.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1.5. (a) A fund may calculate and pay an estimated retirement benefit of the pension portion to a member if:

- (1) the member has applied for a retirement benefit and has chosen a retirement date on which the retirement benefit is to begin;
- (2) the member's membership records are incomplete or have not been certified; and
- (3) the member's membership records that have been submitted to the fund establish that the member is entitled to a retirement benefit.

**(b) ~~After June 30, 2009, if a fund may calculate calculates and pays~~ an estimated benefit under this section, ~~based on the estimated benefit must be at least~~ eighty-five percent (85%) of the pension portion of the benefit determined under the fund's records on service and compensation information.**

(c) If an estimated benefit is paid to a member under this section, the fund shall, after all membership records have been submitted to the fund and certified, determine the actual retirement benefit to which the

C  
o

member is entitled. After determining the actual retirement benefit to which the member is entitled, the fund shall temporarily adjust the actual retirement benefit that is paid to the member to reconcile any underpayment or overpayment of benefits to the member that resulted from the payment of estimated benefits. The fund may make the temporary adjustment to the member's actual retirement benefit over a reasonable time, as determined by the board.

SECTION 8. IC 5-10.2-4-2, AS AMENDED BY P.L.115-2008, SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 2. (a) Unless a member elects otherwise under this section or has elected to withdraw the member's annuity savings account under IC 5-10.2-3-6.5, the retirement benefit for each member consists of the sum of a pension provided by employer contributions plus an annuity provided by the amount credited to the member in the annuity savings account. If a member has elected to withdraw the member's annuity savings account under IC 5-10.2-3-6.5, the member's retirement benefit is equal to the pension provided by employer contributions, unless the member has transferred the creditable service earned under the public employees' retirement fund to another governmental retirement plan under IC 5-10.2-3-1(i). **Regardless of a member's election under this section, contributions totaling not more than one thousand dollars (\$1,000) that are posted to a member's annuity savings account after the final date on which the member's retirement benefit is processed may be distributed to the member as a lump sum payment.**

(b) **This subsection applies to a member of the Indiana state teachers' retirement fund.** If a member has not elected to withdraw the entire amount in the member's annuity savings account under IC 5-10.2-3-6.5, a member may choose at retirement or upon a disability retirement to receive a distribution of:

- (1) the entire amount credited to the member in the annuity savings account; or
- (2) an amount equal to the member's federal income tax basis in the member's annuity savings account balance as it existed on December 31, 1986.

If the member chooses to receive the distribution under subdivision (1), the member is not entitled to an annuity as part of the retirement or disability benefit. If the member chooses to receive the distribution under subdivision (2), the member is entitled to an annuity purchasable by the amount remaining in the member's annuity savings account after the payment under subdivision (2).

(c) **This subsection applies to a member of the Indiana state**

**teachers' retirement fund.** Instead of choosing to receive the benefits described in subsection (a) or (b), if a member has not elected to withdraw the entire amount in the member's annuity savings account under IC 5-10.2-3-6.5, a member may choose upon retirement or upon disability retirement to begin receiving a pension provided by employer contributions and to defer receiving in any form the member's annuity savings account. If a member chooses this option, the member:

(1) is not entitled to an annuity as part of the member's retirement or disability benefit, and the member's annuity savings account will continue to be invested according to the member's direction under IC 5-10.2-2-3; and

(2) may later choose, as of the first day of a month, or an alternate date established by the rules of ~~each~~ **the board of the Indiana state teachers' retirement fund** to receive a distribution of:

(A) the entire amount credited to the member in the annuity savings account; or

(B) an amount equal to the member's federal income tax basis in the member's annuity savings account balance as it existed on December 31, 1986.

If the member chooses to receive the distribution under subdivision (2)(A), the member is not entitled to an annuity as part of the member's retirement or disability benefit. If the member chooses to receive the distribution under subdivision (2)(B), the member is entitled to an annuity purchasable by the amount remaining in the member's annuity savings account after the payment under subdivision (2)(B). If the member does not choose to receive a distribution under this subsection, the member is entitled to an annuity purchasable by the entire amount in the member's annuity savings account, and the form of the annuity shall be as described in subsection ~~(d)~~ **(e)** unless the member elects an option described in section 7(b)(1), 7(b)(2), or 7(b)(4) of this chapter. The amount to be paid under this section shall be determined in the manner described in IC 5-10.2-2-3, except that it shall be determined as of the last day of the quarter preceding the member's actual distribution or annuitization date. However, ~~each~~ **the board of the Indiana state teachers' retirement fund** may by rule provide for an alternate valuation date.

**(d) This subsection applies to a member of the public employees' retirement fund who files an application for retirement benefits after June 30, 2009. If a member has not elected to receive the benefit described in subsection (a) or to withdraw the entire amount in the member's annuity savings account under IC 5-10.2-3-6.5, a member at retirement or upon a disability**

retirement must elect to receive a distribution of:

- (1) the entire amount credited to the member in the annuity savings account; or
- (2) an amount equal to the member's federal income tax basis in the member's annuity savings account balance as it existed on December 31, 1986.

If the member chooses to receive the distribution under subdivision (1), the member is not entitled to an annuity as part of the retirement or disability benefit. If the member chooses to receive the distribution under subdivision (2), the member is entitled to an annuity purchasable by the amount remaining in the member's annuity savings account after the payment under subdivision (2).

(d) (e) Retirement benefits must be distributed in a manner that complies with Section 401(a)(9) of the Internal Revenue Code, as specified in IC 5-10.2-2-1.5.

SECTION 9. IC 5-10.2-4-7, AS AMENDED BY P.L.115-2008, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 7. (a) Benefits provided under this section are subject to IC 5-10.2-2-1.5.

(b) A member who retires is entitled to receive monthly retirement benefits, which are guaranteed for five (5) years or until the member's death, whichever is later. A member may select in writing any of the following nonconflicting options for the payment of the member's retirement benefits instead of the five (5) year guaranteed retirement benefit payments. The amount of the optional payments shall be determined under rules of the board and shall be the actuarial equivalent of the benefit payable under sections 4, 5, and 6 of this chapter. A member who has elected to withdraw the entire amount in the member's annuity savings account under IC 5-10.2-3-6.5 may not select the cash refund annuity option.

(1) Joint and Survivor Option.

(A) The member receives a decreased retirement benefit during the member's lifetime, and there is a benefit payable after the member's death to a designated beneficiary during the lifetime of the beneficiary, which benefit equals, at the option of the member, either the full decreased retirement benefit or two-thirds (2/3) or one-half (1/2) of that benefit.

(B) If the member dies before retirement, the designated beneficiary may receive only the amount credited to the member in the annuity savings account unless the designated beneficiary is entitled to survivor benefits under IC 5-10.2-3.

(C) If the designated beneficiary dies before the member

- 1           retires, the selection is automatically canceled and the member  
 2           may make a new beneficiary election and may elect a different  
 3           form of benefit under this subsection.
- 4           (2) Benefit with No Guarantee. The member receives an increased  
 5           lifetime retirement benefit without the five (5) year guarantee  
 6           specified in this subsection.
- 7           (3) Integration with Social Security. If the member retires before  
 8           the age of eligibility for Social Security benefits, in order to  
 9           provide a level benefit during the member's retirement the  
 10          member receives an increased retirement benefit until the age of  
 11          Social Security eligibility and decreased retirement benefits after  
 12          that age.
- 13          (4) Cash Refund Annuity. The member receives a lifetime annuity  
 14          purchasable by the amount credited to the member in the annuity  
 15          savings account, and the member's designated beneficiary  
 16          receives a refund payment equal to:
- 17                (A) the total amount used in computing the annuity at the  
 18                retirement date; minus
- 19                (B) the total annuity payments paid and due to the member  
 20                before the member's death.
- 21          (c) This subsection does not apply to a member of the Indiana state  
 22          teachers' retirement fund after June 30, 2007, or to a member of the  
 23          public employees' retirement fund after June 30, 2008. If:
- 24                (1) the designated beneficiary dies while the member is receiving  
 25                benefits; or
- 26                (2) the member is receiving benefits, the member marries, either  
 27                for the first time or following the death of the member's spouse,  
 28                after the member's first benefit payment is made, and the  
 29                member's designated beneficiary is not the member's current  
 30                spouse or the member has not designated a beneficiary;
- 31          the member may elect to change the member's designated beneficiary  
 32          or form of benefit under subsection (b) and to receive an actuarially  
 33          adjusted and recalculated benefit for the remainder of the member's life  
 34          or for the remainder of the member's life and the life of the newly  
 35          designated beneficiary. The member may not elect to change to a five  
 36          (5) year guaranteed form of benefit. If the member's new election is the  
 37          joint and survivor option, the member shall indicate whether the  
 38          designated beneficiary's benefit shall equal, at the option of the  
 39          member, either the member's full recalculated retirement benefit or  
 40          two-thirds ( $\frac{2}{3}$ ) or one-half ( $\frac{1}{2}$ ) of this benefit. The cost of  
 41          recalculating the benefit shall be borne by the member and shall be  
 42          included in the actuarial adjustment.

(d) Except as provided in subsection (c) or section 7.2 of this chapter, a member who files for regular or disability retirement may not change:

- (1) the member's retirement option under subsection (b);
- (2) the selection of a lump sum payment under section 2 of this chapter; or
- (3) the beneficiary designated on the member's application for benefits if the member selects the joint and survivor option under subsection (b)(1);

after the first day of the month in which benefit payments are scheduled to begin. For purposes of this subsection, it is immaterial whether a benefit check has been sent, received, or negotiated.

(e) A member may direct that the member's retirement benefits be paid to a revocable trust that permits the member unrestricted access to the amounts held in the revocable trust. The member's direction is not an assignment or transfer of benefits under IC 5-10.3-8-10 or IC 5-10.4-5-14.

**(f) Whenever the amount of a monthly retirement benefit to be paid to a member is not more than five dollars (\$5), each board may adopt a policy to permit annual payment of the member's retirement benefit.**
